**Object: support to the “European Researchers' Night” communication campaign**

Thank you for involving us in the organization of the event “Wow! romescience&comics” as part of the larger initiatives planned for the European Researchers' Night, that will take place on the evenings of Friday 26<sup>th</sup> of September 2014 and Friday 25<sup>th</sup> of September 2015.

The aim of both events will be the introduction of the role of researchers to the wide audience, and help it appreciate the appeal and the benefits that research brings to society.

Our company focuses on the spreading of culture.

We are 6 members/operators of DiScienza - a non profit association which works for the communication and promotion of scientific culture, aimed at develop and disseminate science and technology through a dynamic and interactive approach. Since 2009 DiScienza has been offering several educational events in-and-around Rome, which are focused on robotics. Since 2010 the association is member of *Rete Multi-settoriale sulla Robotica Educativa*, a network of experts in robotics education. DiScienza works for scientific communication and dissemination, developing, supporting and sharing scientific activities such as Science festivals, scientific events, exhibitions and scientific co-working events. Through its institutional media channels (website, social networks, e-newsletter) DiScienza could amplificata the “Wow! romescience&comics” communication campaign from the beginning of September 2014 through to the end of September 2015.

All detailed modalities of our collaboration will be defined further on, together with the written final agreement, after the communication of the acceptance of the project.

kindest Regards
