Object: support to the “European Researchers' Night” communication campaign

Thank you for involving us in the organization of the event “romescience&comics” as part of the larger initiatives planned for the European Researchers' Night, that will take place on the evenings of Friday 26<sup>th</sup> of September 2014 and Friday 25<sup>th</sup> of September 2015.

The aim of both evenings will be the introduction of the role of researchers to the wide audience, and help it appreciate the appeal and the benefits that research brings to society.

Our company focuses on the spreading of culture.

We are 13 members (o associates), our social medias(Facebook, twitter) currently have an average of 7.000 contacts and our website around 100 visits per day: these could be important amplification means for the communication campaign and we are planning to share on social media images and news from the beginning of September 2014 through to the end of September 2015.

All detailed modalities of our collaboration will be defined further on, together with the written final agreement.

Kindest Regards

Ida Antonella Passarelli
